Description

## WIRELESS MECHANICAL GAMING KEYBOARD

### High Performance Gaming

G613 is a next generation wireless keyboard designed for gamers who demand both the high performance capabilities of mechanical switches and the freedom of wireless gaming. G613 features LIGHTSPEED™ wireless technology for super fast 1 ms report rate and Bluetooth® for multi-host connectivity, advanced Romer-G mechanical performance, 6-programmable G-keys, and amazing battery life.

## LIGHTSPEED WIRELESS

### Advanced Wireless Performance

LIGHTSPEED™ wireless technology is our end-to-end optimized wireless solution delivering a 1 ms report rate for super-fast and responsive wireless connectivity. This professional-grade wireless solution is built into the G613 gaming keyboard to deliver exceptionally responsive and consistent performance.

## ROMER-G MECHANICAL SWITCHES

### Pro-Grade Mechanical Switches

Romer-G mechanical switches deliver quiet, precise mechanical performance with incredible feel and durability with 70M click-life. The choice of top esports professionals, Romer-G switches have a short-throw actuation at 1.5 mm which means it is 25% faster than the competition's standard mechanical switches. Romer-G is a perfect blend of speed, precision and quiet performance.

## PROGRAMMABLE G-KEYS

### 6 Programmable Keys

Six dedicated G-keys can be programmed with custom macros and in-app commands. Execute complex actions, simply and quickly, with a keystroke. G-keys can be assigned per game or app profile for customizability and convenience. Use Logitech Gaming Software (LGS) to easily setup and manage profiles, commands and more.

## CONNECT TO MULTIPLE DEVICES

### Connect Using LIGHTSPEED or Bluetooth

Connect to LIGHTSPEED wireless for super fast 1 ms report rate or connect to other devices with the push of a button using Bluetooth® connectivity. Switch between high-performance LIGHTSPEED wireless and Bluetooth anytime quickly and easily.

## BATTERY LIFE

Up to 18 months battery life

Using only 2 AA batteries, G613 can be used for up to 18 months.<sup>1</sup>When battery is at 15%, both the LED status indicator light on the keyboard and Logitech Gaming Software notifications will warn you before the critical moment hits.
