Description

**Designed for laid-back control**

PC-to-TV entertainment shouldn't be hard work. Kick back and navigate your TV-connected computer from the comfort of your couch!

**Integrated wireless keyboard with touchpad**

Enjoy seamless control of your PC-to-TV entertainment, without the hassle and clutter of a separate keyboard and mouse. Comfortable, quiet keys and a large (3.5-inch) touchpad make navigation effortless.

**10-meter (33-foot) wireless range**

Watch video, browse the web, chat with friends and more, without annoying delays or dropouts.

Responsive, trouble-free connection even in large spaces.

Wireless range may vary depending on operating environment and computer setup.

**Media-friendly TV keyboard**

You are instantly comfortable using the K400 Plus. Layout is designed for relaxed media interaction.

Easy-access volume controls and arrow keys.

Second left-click button lets you navigate and make selections with two hands.

Shortcuts for Windows® and Android™ users.

Hot keys work right from the box; no configuration

**Plug-and-play setup**

Setting up K400 Plus is a snap. Plug the tiny Unifying receiver into a USB port and start the fun. Use the keyboard receiver to connect up to six Unifying devices to your computer.

**18-month battery life**

You might forget this keyboard needs batteries.

Virtually eliminates the hassle of replacing batteries.

Use the on/off switch to extend battery life even further.

Battery life was independently tested for two-hour use per day. Actual battery life will vary with use, settings and environmental conditions.

**Works with multiple operating systems**

Designed for use with Windows® 7, Windows 8, Windows 10 and later, Android™ 5.0 or later, and Chrome OS™.

**Customizable control**

Use K400 Plus right from the box, or personalize key and touchpad settings with Logitech Options™ software.
